GPS Mission Statement

The GPS Club exists to promote and foster excellence and enjoyment in the "running game" of Rugby football and, in so doing, assist the progress of members along the broader pathway of life.

In pursuit of the mission, we will actively promote the following values: developing the whole person, respecting individual and group responsibilities, upholding the standards of a responsible community organisation and catering for the needs of players at all levels

First XV Partners

The GPS Rugby community acknowledges the contribution of the following companies which allows the Club to attract players of quality who will stay and grow with the Club whilst developing and maturing into representative players

GPS Rugby Brief History

GPS Rugby is the successor in name to GPS Old Boys Rugby Club and to the Past Grammar School Football Club and it is the oldest surviving Rugby Club in Queensland and also one of the oldest Rugby Clubs in Australia. The Club was officially formed in 1887 and consisted of a combination of both past and present Brisbane Grammar School players although a number of them represented Queensland as Past Grammar players in 1885 and 1886.

In 1889 the Past Grammar School Football Club was established as a separate identity distinct from the old side with its mix of past and present players. The Club was formalised at a meeting held on the 5th March 1891 and Mr. R.H. Roe, the Headmaster of Brisbane Grammar School was elected as President. Sir Charles Lilley and Sir Samuel Griffith, among others, were elected as Vice Presidents. It was decided that the Club colours would be red and white. Rugby was not played in Queensland from 1916 until reintroduced in 1928 when, under a new name, the BGS Old Boys' Rugby Union Football Club again took its place in the Brisbane competition.

In 1930 the constitution of the Club was changed to allow past students from the other GPS schools to become members and although the name was retained that year it was later changed to GPS Old Boys' Rugby Club and it played in green and blue colours for the first time in the 1931 season. Later the constitution was again changed and membership of the club made unrestricted.

Fifty of the Club's members have played for Australia and over 200 have played for Queensland. Seven have captained Australian senior teams, two the Australian sevens team and one has represented and captained England and another Scotland.

Ashgrove GPS Junior Rugby Club was formed from the Ashgrove Emus Club in 1984 when it affiliated with GPS Old Boys after that club moved from Finsbury Park to Ashgrove Sports Ground. It quickly grew to be the largest Junior Club in Brisbane winning the QJRU President's trophy for the most successful club on a number of occasions.

In 2014 GPS Old Boys Rugby Club amalgamated with Ashgrove GPS Junior Rugby Club to form GPS Rugby Club making it the largest club in Australia with almost 1500 players. In 2018 the Amalgamated club won its first premiership.

100 Points for the season	James (Bobby) Tuttle (143) Drew Nelson (121), Luke Beesley(110)

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

President's Report

It is a pleasure to present my 2018 Premiership Year Annual Report for GPS Rugby Union Club Inc. Prior to any acknowledgements for the year on behalf of the Club I congratulate our 1st Grade team on winning the Premiership after 22 years. The scenes at Ballymore on Premier Grade winning the Premiership were unforgettable and will remain with many. To Coach Anthony Mathison, assistant Elwee Prinsloo, players and support staff – Well done!!

Rugby

We fielded 11 teams senior teams in 2018, participated in 9 semi-finals, 3 grand finals and won Premier and 6th Grade. While celebrating our successes we all know we can build on this for 2019 and planning has already commenced. We finished 3rd in the Doughty Shield for overall club performance and while improving on 2017, we last won the shield in 2008. A special mention to our women's team for their first Grand Final appearance. We would all love to see our women go one step further in 2019.

Our juniors fielded some 71 teams in 2018 with some 1,084 players. 2018 saw the club commence a junior touch football competition for girls which saw 101 girls participate and something we will develop further in 2019. It was pleasing to see 4 players from our past juniors participating in this year's Senior Premiership Wining Team.

Sponsors

A Club our size would not operate without the generous support of our sponsors.

A special thanks goes out to Ken Baker and **Height for Hire** for being our principle sponsor for 2018.

Thanks must also go out to Major Sponsors for 2018 – **McDonald's Newmarket, Midas Ashgrove, Meat at Billy's, XXXX, Wonder White, BLK, SPA and Witches Falls**, many who have supported us for many years now.

Thanks also to our First XV, junior and other sponsors mentioned in this report.

Finances

The club continues to be run in a fiscally responsible manner and from the Treasurer's report we remain in a sound financial position. Capital Improvements at the club are always best managed with the assistance of government grants requiring generally only a 20% contribution from the club. The cash reserves of the club should be preserved to ensure the facilities are maintained and over time brought up to date.

Volunteers

A club of our size relies heavily on the volunteers which makes it the successful community club that it is. A very special thanks to those who gave up their time this year. The support from volunteers with coaching, managing, assisting with ground set up, working behind the canteen or bar and assisting with functions and events has contributed to a successful season.

Staff

The Club's employees put in a tremendous amount of time and effort during the Rugby season. A very special thanks to Anthony Herbert our CEO who puts in an enormous amount of time and effort to see the club excel and continues to improve the experience at the club. Martin Southwood – operations manager, Lauren Urquhart – Office Manager and Elwee Prinsloo – Director of Rugby have all put in a massive effort in 2018.

Facilities

Field 1 Lighting replacement was completed at a cost of \$330,000. This project was completed with the help of the BCC \$100,000 - Steven Toomey, \$120,000 Federal Government Funding - Trevor Evans, \$70,000 State Government – Kate Jones with ourselves and Valleys contributing to the balance.

As I touched on when we released the Concept Master Plan for the Ashgrove Sport Ground in June, I am pleased to report that in the last two months we have had very positive meetings with Trevor Evans our local Federal Member and Kate Jones our local State Member. Both Trevor and Kate looked very favourably on the plans and have taken away to consult with their respective government departments. Brisbane City Council is also assisting further in the development of the concept plans. We need government funding commitment prior to advancing. Your urging our local members for support would assist greatly.

In past years the idea of establishing a Foundation has been discussed. I am pleased to advise that In line with the future development of the club, a formal foundation has been established which will enable tax deductible donations to be made. Below is the link to the foundation page.

<https://asf.org.au/projects/gps-rugby-club/>

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

The off season you will see stage 2 of our lighting program being Field 2 lighting go up and be ready for use when we return in 2019. The Club has worked closely with Valley's Cricket Club with this second stage and we are very grateful to our local state member Kate Jones for contributing \$300,000 towards the cost of the project.

Supporters

To our members, you are regarded the best in the Brisbane Club Rugby scene. This is acknowledged by other clubs when we travel to play away and our home game set up is the envy of all. This was no more evident than the Grand Final this year with the number that swarmed onto the field at full time. Thank you all for your support, enjoy the off season and we hope to see you all for the commencement of 2019 when we endeavour to take out the Australian Club Championship for the first time.

Community

The club has a history of contributing back to the community. In 2018 we continued through our Charity Day to raise funds for Ronald McDonald house who help families of hospitalised children. We also took the opportunity of our last home game in conjunction with our Major Sponsor **Height for Hire** to raise funds for Drought Relief for those hardest hit in our farming community.

Events and Functions

The club held numerous and well attended functions during the year. The year commenced with the reintroduction of the Annual Golf Day. This was followed by our Ladies Day which has now been taken up by most other clubs. A special thanks to those on our Ladies committee for organising and in particular Karen Ward and Justine King. Our pre-test lunch in June at City Hall concluding with our GPS Ball and Junior Break up.

Committee

In concluding I would like to thank our 2018 Committee - Darren Dowse – Treasurer, Liza Hammond – Club Secretary, and Liam Ferguson and the time Andy Tucker, Christiaan Knapp and Michael McDonald could afford to commit for 2018. A special thanks to the ongoing support of Rob Melloy.

It is a pleasure to serve this great club and we look forward to seeing you all for 2019.

A very special thanks to my wife, Kelly!

Michael Taylor
President

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Rugby Report

2018 saw GPS competing with 11 senior teams from which 9 teams made the finals series and 2 teams ending up premiers in their respective competitions. Fair to say that this was improvement on previous seasons, but we also understand that we have by no means fulfilled our true potential as a club just yet.

The highlights of the season certainly included ladies playing in their 1st ever grand final as well as 1st grade winning the premiership for the first time since 1996.

Off & Pre-season

A group of 60+ players that consisted of both grades and colts' players started their off-season program early in November 2017. The program was a massive shift in our previous approach and included a variety of off site conditioning, skills and team building activities. These activities were great to set an early base of expectations and create an environment where players could improve in their skills, physical and mental conditioning.

After a tough pre-Christmas block the boys had a two week break and commenced preseason early in January. The focus now shifted to a club culture and specific skill development with ladies joining the men in conditioning and coaches running specific positional and mini unit skills before each session. We had a staggering 130+ players from the outset so coaches were really challenged to manage and deliver quality across a group this big. The early season boom led to over 300 registrations for the 2018 season but also started a very healthy and all-inclusive club culture.

In season

We had a massive number of volunteers, coaches and managers looking after the group in terms of new registration processes, medicals, logistics and general rugby development. Without the efforts of these people involved none of our progress or success would be possible as a club.

It was very pleasing to see how our management staff focussed on solutions and overcame several challenges in a variety of areas as the season progressed. This was a big contributor to the end of season finals series in terms of number of teams competing. A special thank you to Herbie, Lauren and Rob's efforts behind the scenes.

Finals series

Although we had 9 teams in the playoffs we were very clear in improvements still needed after only 2 teams went on to win their grades. This is certainly a massive focus point for the next season in terms of getting to finals but also ensuring we are more successful in the outcome of this series.

Recruitment and development

2018 saw a few new faces joining Jeeps from not only overseas but also a number of players making the shift to Yoku road from other clubs. Notable recruits included Jaye Thompson, Isaac Cavu, Alfonso Hormia, Albert Nikoro, Davis Tavita, Matt Gicquel and Jordan Lenac.

It was also very pleasing seeing the number of younger players making their debuts for 1st grade. Jed Chapman, Tom Kibble, Isaac De Flavis and Josh Collins were all part of this special group.

Sevens and post season activities

2018 7's season promises to be more exiting than ever before with the introduction of a Premier 7's competition. GPS will run an elite 7's program for a squad of 24 players but also include a women's and social teams for the Noosa tournament. We also wish our 8 NRC players the best for their 2018 campaigns.

This period will allow us to focus on 3 key components: Development; Performance and Recruitment

Academy and Juniors

We decided to review the academy program from 2017 and put in place plans for a better more sustainable program that ensures more consistent success or return through to our senior teams. We are delighted to announce a new and improved program with the 1st club in Brisbane offering a full-time program for players that aspire to develop to the higher levels of the game. The program includes:

- Certificate 3 and 4 in Personal training
- Coaching and referee accreditation
- Specialist rugby development
- Individualised strength and conditioning
- Project management
- Nutrition and supplementation
- Life skills and mental health

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Junior development was a key focus area for the club in 2018. The emphasis was to be more on the quality of coaching to ensure better session delivery to the players. Some key developments included:

- Premier grade shadow/ mentor program (junior coaches being part of Premier grade preparations in terms of preview, review, sessions and game day operations)
- Specific game component clinics (Attacking and defensive contact, tackle clinics) presented by the QRU, DOR and senior players
- Integration of our senior playing group to our juniors (players assisted in age group coaching on several occasions throughout the year)
- 1 on 1 development with DOR (assisting some coaches with planning, session delivery and reviewing)

Looking forward to 2019

The last 2 seasons have allowed a solid platform for us at Jeeps to really accelerate and excel in our development as a club to bring more sustainable success. The importance of staying development focussed, and performance driven has brought our attention to some key areas of improvement for 2019

1. Better coaching = better players
2. Bridging the gap (transition between junior to seniors)
3. Skill development over winning in juniors
4. Build on our history, traditions and who we are as people and as a club
5. Winning

Thank you to all the people that contributed to a very special 2018 season. This included but is not limited to

- Volunteers, coaches and mangers
- GPS board and office staff
- All our sponsors, in particular, Height for Hire, McDonalds, BLK, Meat at Billy's and XXXX Gold
- Our medical and athletic performance partners
- Our massive supporters base in both seniors and juniors
- Last but not least our families

It is an honour to be part of Jeeps and I'm very excited to get stuck in to an even better 2019.

Elwee Prinsloo
Director of Rugby

THE BLUE AND THE GREEN

WELL ARE YOU BLUE OR ARE YOU GREEN
OR ARE YOU BOTH LIKE ME
DID YOU PLAY AT FINSBURY PARK OR YOKU ROAD
OR BOTH OF THESE LIKE ME
DID YOU SERVE A BEER COOK A BARBY
MARK A LINE OR TWO
WE WON'T FORGET YOU MY FRIEND
WE MISS THE LIKES OF YOU
DID YOU COACH A BIT LIKE ME OR WATCH YOUR KIDS
DON THE BLUE AND GREEN
MAYBE THEY WILL BE AS GOOD AS THOSE
OF THE EIGHTEEN TEAM
BUT WHAT OF YOU AND WHEN YOU'RE GONE
WHAT WILL BECOME OF THEE
YOU'LL WATCH FROM FAR ABOVE
THE BLUE AND GREEN WITH GLEE
AROUND A BAR MY FRIEND
YOU WILL BE IN GOOD COMPANY
I PRAY YOU WILL I KNOW YOU WILL I KNOW YOU WILL LIKE ME
YOU MAY WANDER FAR AND WIDE
BUT YOU'RE STILL BLUE AND GREEN YOU SEE
SO WILL YOU NO COME BACK AGAIN
I PRAY YOU WILL I KNOW YOU WILL I KNOW YOU WILL LIKE ME

DAVE (NEWWEY) NEWSTEAD

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Juniors Report

2018 was another successful season for the GPS Juniors. With over 1000 players and 70 teams supported by a volunteer army of coaches, managers and referees pulling together to provide an efficient and enjoyable rugby program for all.

The Inclusive Junior Gallopers Rugby Program designed for kids with learning disabilities has continued and is now run by GPS. Many thanks to Leanne Mead for pulling it together and Head Coach Beau Harvey for doing a great job coaching them. Each player has a buddy to whom we say – “fantastic job”

GPS Juniors once again performed well with great representation at the QRU finals series. Of the teams eligible to compete for Premierships (u12-17) the results were Premiers: Under12 White and Under15 Green (Season 1); Runners Up: Under13 Maroon and Under15 Green (Season 2)

GPS Rugby has always figured strongly in the Representative rugby pathways and 2018 was no exception. The club had players involved in the U12 Development Pathway, the U13 – 16 BJRU Teams and Queensland. Details are included under “Representative Honours” on page 7 of this report.

Our thanks go to the BJRU staff and committee, all BJRU Affiliated Clubs, their Presidents & Committees, members and players., Thanks to the QRU and the ARU for yet another great year in Brisbane junior rugby. Appreciation to the BJRU Clubs for hosting us each weekend – we appreciate the effort that this takes.

As can be seen from above it remains a huge task and a reflection on the quality players, coaches, managers and support staff that give up their time each week for the betterment of Rugby and the life development of the junior players.

Martin Southwood
Operations Manager

Gallopers Inclusive Rugby Program

The 2018 rugby season saw the beginning of the Gallopers Inclusive Rugby program at GPS with a move away from the Gingercloud foundation and their Modified Rugby program due to concerns about increased fees and a lack of consultation with the GPS community.

This year the Gallopers Program provided an 8-week program in Term 2 for boys and girls with additional learning and social needs. We fielded 2 teams – an originals team with 6 players matched alongside 6 buddies and a 7's competition for more able players comprising of 4 players and 3 buddies.

Each team had it's own coach – Beau Harvey for the originals and Harry Meka for the 7's. Leanne Mead and Sarah Meka coordinated the program with ongoing support from Martin Southward and Anthony Herbert. Teams trained each Friday evening from 6pm and played Saturday mornings at GPS from 7.30am

The 7's team played against a number of GPS teams including Under 16, Under 15 Blue, GPS Ladies and a team from Enoggera Army Barracks. The season concluded with players running on the premier team and playing at half time during the charity round.

Moving towards the 2019 season the Gallopers Program would like to increase player numbers by:

- Raising the profile of the program in the local community with an information flyer to schools and special schools.
- Increase awareness at the club level with year level coordinators spreading the inclusive rugby message to their families
- Setting up an information table on club registration days
- Identify a long term sponsor to cover the costs of uniforms, trophies and coaches

We look forward to building upon the success of our inaugural season by creating a program that continues to engage and include all players in GPS community.

Sarah Meka
Coordinator

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Premier Grade

Coaches: Anthony Mathison, Elwee Prinsloo, **Trainers:** Rory Maguire, Kieran Maguire, Nick Churven.
Physiotherapy: Mitch Esdale, **Manager:** John Richards.

In 2018 the GPS Rugby Club First Grade team ended a 22 year drought and won the Hospital Challenge Cup at Ballymore defeating the reigning premiers University of Queensland 23 points to 16.

At the end of the regular season the team finished second with 11 wins and 5 losses from the regular competition rounds. Having completed the season in second spot they played University in the major semi-final two weeks before the grand final going down 24 points to 21. The team rebounded with a resounding victory in the preliminary final over Easts 52 points to 14. While the bookmakers and other experts had the University of Queensland as short price favourites to win the grand final the playing group had different ideas galvanised in part by the heart-breaking defeat in 2017.

The season produced a mixed bag of results for the whole competition but important clean sheets against Brothers, Easts and Souths gave the team the confidence they were able to produce big games when needed. Some cups were lost and some retained but through it all the team grew in confidence and skill. The QRU introduced the Bunter Bowl in season 2018 and it was retained by the first grade from rounds 9 to 17, the longest of any team in the competition.

Throughout the season the team drew on a number of younger players while representative players were on duty for Queensland. In particular Isaac Carvu, Jordan Lenac, Jonah Pologa, Estian Strauss and Nick Richards came into the team and presented a bright future for the first-grade team for the club. All earned a bench spot for the grand final. The success of the season however was based on the resolve of the senior players not to retire until the premiership had been won. The passion for a grand final victory displayed by Dan Gorman, Mitch King, Fred Burke and Ryan Freney went a long way towards securing the victory. The team was well lead throughout the year by Michael Richards following Dan Gorman's early season injury and he was well supported in that role by the leadership group of experienced players. In a historic year for a community club with a huge junior base it was fitting that the captain was a Galloper who has played every season since he first ran out for GPS as a 5 year old.

The team welcomed a number of new faces, all of whom had a significant part to play in the ultimate victory. Jaye Thompson, Alfonso Horomia, Davis Tavita and Albert Nikoro all came as fresh faces to the club and blended in perfectly with their talent, personality and experience. The familiar faces of Patrick Nicholson, Isaac Weier, Mitchell Trelevan, Daniel Byrne, Ollie Bartlett, Troy Simkin and Connor Cowhig bolstered the team and the late inclusion of Josh Collins whose scintillating speed making his finals opponents wary of his ability. In the view of many people the season ending performances of Tom Kibble and Matt Gicquel was a major factor in the ultimate victory. These young fast and talented players both earned a selection in the National Rugby Competition and are the stars of the future not only at GPS Rugby Club but for Queensland and beyond. Representative players J.P. Smith, Ruan Smith and James Tuttle provided extra class and professionalism to the whole squad. Their enthusiasm for the team and desire for victory was invaluable.

Special mention must go to the retiring Coach Anthony Mathison on his magnificent performance in turning around the team over the last two years. Two grand final appearances in two years and a professional attitude to the training and coaching of the side went a long way towards the ultimate victory. Assistant coach and Director of Rugby Elwee Prinsloo has an attention to detail and a determination to succeed rarely seen at club level and his commitment to improving the skill levels of the players was a major reason for the success of the season. There are obvious reasons for him being asked to take higher coaching appointments. Marius van der Merwe was also instrumental in assisting the team and managing the reserve grade team on match days.

The combination of the Maguire brothers, Rory and Kieran was highly significant in ensuring the players were fit and maintained their fitness throughout the year. Particular thanks to RM Physio, Mitch Esdale, our doctor Peter Stickler and Rebecca Brown for their assistance throughout the year.

A special thank you must go to Anthony Herbert and his team at the club for their magnificent support of both first grade and all the grades at the club. Without the extra effort provided by Anthony it is doubtful we would have achieved the success we had both as a team and a club. Thanks also to our Club President Michael Taylor and the entire management committee as well our publicity team Rob Melloy, Lauren Urqhart and Rachael Richards and the many fans, supporters and sponsors for their magnificent support of the club and particularly first grade.

It has been a joy to manage the first-grade team this year and to be part of a very special group. Best wishes to all associated with the team's success and to all the loyal supporters of the club.

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Second (Reserve) Grade

Coach: Marius van der Merwe, **Manager:** Steve Guthrie

Season 2018 to a degree was a success, though we did not repeat the success of last year, We closed the Season going down against East in the first round of the Final Play offs.

At the start of the season we set our goals to repeat what we did in 2017. The goals that were agreed on were:

- Constantly improve game after game
- 2nd Grade to make the final;
- To assist Premier Grade to make the final.

These goals were set to try and establish a team and winning culture in 2nd Grade.

Finishing 4th in the regular season came through a solid performance in the second round of the competition. It was pleasing to see the side to come together and enjoying their rugby.

We started the preseason well and had lot of players turn up; there were plenty of old and new players that showed up. Being new as a coach to the club It was great to see the commitment and enthusiasm from all players.

The Season started a bit rocky with some losses in the beginning of the competition. Couple of injuries early in the Season (Tom Christie, Cameron King, Dylan Lindsey, Cameron Knox) unsettled us a bit. But it did not take us long to settle and with some huge performances we started to turn our fortune. Some real big performances from some of the club stalwarts in Nicholas Richards AKA "Slip", Troy Simkin, Mitch Tralaeven and Isaac Weier. For Nicholas performances both on and off the field and as Captain he took out the Player's Player award voted by his team mates for the second year and this showed how much determination and ability he has whilst playing rugby. At the Halfway point and lying in 7th position the team took on the challenge and worked their way back into the top 4, which gave us a shot at the finals. Unfortunately it was not to be but the team spirit and effort by all the playing group was faultless.

Throughout the season, the enjoyment and camaraderie on and off the field grew the boys became more confident in their abilities. The unity and ethos that the team built on stemmed from the premier squad group both Prem Grade and 2nd Grade that trained as one group and work together in their quest and goals. This did help to establish a winning culture amongst the group.

There were lessons learnt on and off the field this season and these lessons hopefully will place this group in great shape to continue building on the great Season that the group had. Hopefully many players will take the lessons learnt and positive attitude into next season to make 2019 another great one for GPS.

Finally, I would like to thank the club who have been great supporters of this side this season and your work does not go unnoticed. To the players, you made this season what it was keep coming back for more and keep working to be the best you can be, and at the same time be a true gentleman of this great game call Rugby.

Best of Luck for 2019 season

Third Grade

Coaches: Nigel Hogan, Tim Sheppard, **Manager** Scott Grinstead, **Trainer:** Jimmy Nguyen

Another successful year for 3rd grade again making the finals in 2018 (for the third year in a row) only to again come up short in the minor semi-final losing to Easts. While again the loss in the first semi was a tough pill to swallow for players, coaches and support staff the season had many high points.

Training commenced in early January with many returning players and new players to GPS showing up. A successful preseason including games against, Brothers, Sunnybank and UQ saw the team ready to take on Brothers and Sunnybank (both away) in the first two rounds. Narrow loses in what was a tough opening to the season then saw 3rd grade string together 5 big wins to be placed 2nd on the table going into Round 2.

Again, two narrow loses to Brothers and Sunnybank placed pressure on the team from both Easts and UQ however, the side regrouped to have a number of hard-fought wins including three straight away to eventually finish third after the regular season.

Several opportunities were created for 4s, 5s and 6s players to step up to third grade, when a significant number of players headed off overseas for four weeks. The players who came up did not let anyone down, performed admirably and demonstrating that remarkable GPS spirit.

During the season, we saw a couple of players bring up individual playing milestones including Brandon Ciocca and Dylan Lindsay. In all some 60+ players turned out for third grade across the season.

In the end the 2018 season fell frustratingly short again, it was again tough to be knocked out so early in the finals but as is the beauty of the game we all love, we get an opportunity to do it all again next year. The coaches would like to thank all players for their commitment, support and enthusiasm throughout the season. Also a big thankyou to Jimmy for his S&C support this year and Scott for his endless supplies of snakes and all the hard work he put into managing the team. Also, we would like to send our best wishes to those regular GPS players who are now hanging up the boots or are moving on.

Bring on 2019!!!

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Fourth Grade

Coaches: Tony Rogers, Fano Ahovelo, **Manager:** Steve Taylor

4th Grade has one major goal for 2018, to make the finals and preferably in spots one or two.

That didn't quite work out but we still made the finals in spot 4 after a season that turned out a bit tougher than what we had thought after the first few rounds. There were games we won well and games we lost well, we wish we went well. Overall the main impact was maintaining team consistency and when you rotate over 70 players in team starting roles you do suffer in putting consistent

patterns on the field.

That being said, there was some very positive outcomes and where players from lower grades stepped up and grew immensely as the season progressed. Some of these players such as Reilly Williamson, Ricci Betti, Campbell Halliday and Matt Toye to name a few will only get better and more opportunity to move up the grades.

The team was led well by Dave Jordan who continues to keep going and provides a lot of knowledge support for younger members of the front row club and Dave Bella when Dave was not here. We had an Englishman, Mitchell Wells take to the field in temperatures greater than a London heatwave (that's was our July) who provided and enjoyed some great Australian club rugby. Strong performances from Lachlan McKinnon, Lachlan Patterson and the evergreen Lachlan Hastings gave us more Lachs than the whole of Scotland and in the backs Nick Rogers, Lewis Burrows, Jacob Manning, Jayden McCormack, Rueben Fon-Lowe and Tom Carroll all performed well with the Radrodros chiming in, (managers nightmare if they ever swap jerseys)

Main lessons from this year would be consistency and that is hard to achieve with a large rolling pool of players and not being able to name a squad until Thursday evening magnifies the issue as team training is critical to get to the levels we like to be.

To the coaches, as always, a solid effort and a couple of great guys to work with, Tony has a passion for the game and a great vision, and Fano, his knowledge of what forwards are meant to do is great and the way he guides the guys is brilliant.

Last, but not least, getting some to run the touch line was always a challenge but big call out to Nelso, Fraser and Freen's who regularly held the flag. It was also pleasing to see the guys enjoying the game, encouraging each other and then having a quite beer or three afterwards.

Good season guys

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Fifth Grade

Coaches: Zac Russell-Sharam: Brenden Hood, **Manager:** Al Berriman

Fifth grade 2018 got off to a great start to the year with an early victory over Brothers at Crosby Park in round one.

Led by coaches Zac Russell-Sharam and Brenden Hood and a late inclusion of Al Berriman as manager, this was followed by a number of bye rounds leading into the infamous Sunday game against Norths, which was probably not one of our better days. The remainder of the first round saw the 5th grade guys continue on their winning ways leaving them top of the table at the end of the round.

This year saw a number of changes to the team on a regular basis but also saw a number of last years' colts join the fray and fit in with the grade level of club rugby. Zac and Brenden continued to show faith in all their players and this was returned by wins.

Round two commenced with yet another solid victory over Brothers, this time at home, again leading into an extended set of bye rounds. Whilst this did not help, a number of solid wins in the second round saw the 5th grade side in the top four.

The minor semi-final was played at Ballymore on 4 August which unfortunately saw Norths claim a narrow win to knock the boys out of finals contention. Each and every player who was selected for 5th grade this year put in 100% each game, however a special shout out has to go to Matt Toye, when he player for us. For a centre he is one of the best ball thieves we have seen and could always be seen to come up to two or three steals out of nowhere every game.

Credit must of course be given to Zac and Brenden who led the team to the finals play offs and always had the players confidence. Let's look forward to ongoing success in 2019 after the performance of not only 5th grade but across the club.

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Sixth Grade

Coaches: Nathan Shaw, Sam Scott, Mike Proctor, **Manager:** Nathan Shaw

2018 was a successful season for 6th grade, with a dominant 40-10 grand final win, exacting revenge over Brothers for a narrow loss last year. The effort in the grand final was particularly pleasing when it is considered that the team lost both round games to Brothers with a cumulative scoreline of 48-27 in favour of Brothers.

The team was packed with talented players who will no doubt play much higher grades in future years, but the experience of players like Brett Frostick, Drew Nelson, Nick Dangerfield and Pat Trubshaw was a valuable asset moving into finals and the coaching team was grateful for their help in getting the boys ready for the finals series.

Even though there were only 10 round games in this grade, there were still 65 players that went on the books this year. Organising, selecting and preparing the team would not have been possible without coaches Sam Scott, Mike Proctor and Tim Wilson as well as valuable assistance at training from Brendan Hood and Zac Russell-Sharam.

The coaching group would like to congratulate the players on the premiership and encourage everyone to get back next year and go back to back.

Normanby Cup

Coaches: Nathan Shaw, Sam Scott, Mike Proctor, **Manager:** Nathan Shaw

Normanby Cup had a great year this year, finishing third on the table in a much improved showing from last year. Making finals, which we were unable to do last year, was a big highlight for the boys and shows that this team is on the way up. We managed to get at least one win against every other team in the competition this year.

The same coaching group as 6th grade were instrumental in the boys' performance and organising the 71 players that played this year in the grade and I'd again like to thank Mike Proctor, Sam Scott and Tim Wilson.

Hopefully the improved showing this year is a sign of a better season next year and will lead to more consistency in this team as we build it to be a

long-term fixture on Friday night for GPS.

Women

Coaches: Mutch Kite, Sean Minehan, **Manager:** Velia Lui **Team Assistant:** Tom Forde

“The GPS women’s team made significant improvements in 2018 culminating in its first ever showing in the Grand Final. The overall success of the season built upon a number of key foundations including a beneficial sevens programme at the end of 2017, a highly fruitful pre-season, significantly improved recruitment and squad depth, enhanced training quality and an overall improvement in ability across a range of indices.

Following a disappointing 2017 season, underscored by an unfortunate injury toll, the team agreed upon the goal of qualifying for the finals series for the first time since its maiden showing in 2014. Additionally, the team resolved to train and play by a set of core values, galvanise the already strong playing bond amongst the squad and improve fitness and overall commitment. The ladies were able to accomplish all of these goals in a highly impressive manner.

During the regular season, the team achieved some impressive results as well as learning some tough lessons. One of the most positive aspects of this group from a coaching perspective, is the willingness of the ladies to grow from these harder occasions. This was perhaps typified by the improvements in each showing against arch rivals Redlands this season, before an ultimate 20-8 victory when it mattered in the semi-final. Additionally, this was the first season the team won two matches against UQ as well as the first time defeating them at home. 37-0 and 39-12 victories over Brothers and Wests respectively were also significant highlights.

The women’s team had a wide array of impressive performances throughout the season, demonstrated by a wide distribution of points in the weekly players’ player award. Alisha Hewitt, was a pillar of experience, grit and leadership in each game. She once again earned selection in the Wallaroos team to play New Zealand in August. Furthermore, Tessa Vaoga had a brilliant season in which she evidenced an ability and willingness to advance to the highest levels of women’s representative rugby. The team’s stalwarts were critical in continuing to ply their trade with industriousness and commitment while a number of the team’s younger members, including Elli Mackay, improved considerably to assume indispensable roles within the team. Finally, warm congratulations must also be extended to Melanie Kawa and captain Marlugu Dixon who earned selection for the Papua New Guinea team that competed at the Sevens World Cup in San Francisco in July. The team could not be prouder.

Although going down to Sunnybank in the final, the improvements, comraderie and enjoyment demonstrated by the team shine far brighter than the ultimate result. Planning is already underway for 2019, in what promises to be the team’s most exciting season yet. The coaches would like to thank the club for its warm support of the women’s program, as well as supporters, family, friends and most importantly, the women of the 2018 GPS women’s squad.

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Colts 1

Coaches: Pat O'Connor, Rama Chand**Manager:** Ryan Webster**S&C:** Rory Timms

In what turned out to be the most competitive year of Colts 1 rugby in over a decade there were seven teams all with chances of making the finals with four weeks to go. Unfortunately for the GPS Colts 1 team it wasn't to be their year. Whilst there were some highlights and good signs for the future there were a few missed opportunities along the way as well.

At the start of the year many goals and aims were set focussing on on-field and off-field performances. These goals, whilst not completely met, did help to bring the team together in the final half of the year with some strong performances against the top four sides as well as good wins against teams below them in the competition.

The year started off as well as it could have with a win away from home against Brothers, who would eventually win the Minor Premiership in the competition. The good start continued with the boys securing three wins in four rounds. The draw had left the strongest teams to end of the and it showed with the team missing a good chance of win against Norths then five straight losses to end the first half of the year.

The challenge for the boys was simple heading into the second half of the completion, win at least seven games and they could still be in finals. Despite putting in a much-improved effort the boys missed out on finals for this year.

There were some great performances across the year. From the colts returning from the 2017 season there were continued strong performances from Jack Kibble, Isaac De Flavis, Jacob Stower, Jed Chapman and Isaac Chaffey. The first-year colts also showed that there are positive signs for the future with Jaz Day, Rory Curtis, the Dangerfield twins and many more putting in good efforts across the season. Towards the end of the year we also got to see some of next year's potential players with a few boys joining the team after finishing school rugby.

Another highlight was the inclusion of a number of the Colts 1 squad in the 1st and 2nd grade teams during the year; Tom Kibble, Isaac De Flavis, Jed Chapman all making their 1st grade debuts and Jacob Stower and Reuben Lindsay also starring in 2nd grade.

There were many players involved this year and I would like to take the opportunity to thank all of those that were part of the 2018 Colts 1 season. A special mention to those players that were injured but continued to help with running water and the other off-field components that make a season especially Aiden Fabris.

Finally, I would like to thank the coaches and support staff; Pat O'Connor, Rama Chand and Rory Timms who put in a massive effort across the season.

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Colts Two

Coaches: Steve Jenkins, Dan Boddice, John Taylor **Managers:** Peter Cullen & Ashwin Raj

2018 brought many changes to the Colts 2 set up and group with a new coaching and management team as well as a number of new players joining the program. The group focussed on their goals of playing the best rugby possible as well as supporting the Colts 1 and Colts 3 team in their campaigns. This commitment to supporting the other teams was on weekly display with a number of Colts 2 players taking the field for two sometime three games a weekend.

Whilst the position on the ladder may not reflect this statement the Colts 2 group did have a successful year. A large number of boys made their debut in Colts 1 and also managed to play in some of the lower grade games when required. Second year players Tom Barter, Callum Maloney, Rory Campbell and Josh Kilgore all performed well across the year. They were joined by Will Wong, Sam Pologa and Solomon Kirisome that also put in great efforts and showed a positive future for the GPS Colts program. In total 57 players took the field during the season for the Colts 2 team, there were 75 registered players in the program this year.

Throughout what was a tough season the Colts 2 boys remained the cornerstone of the group leading both on and off the field. They were the drivers of enjoyment and camaraderie during the year and their efforts should be noted.

The coaching group of Steve Jenkins and Dan Boddice along with their Managers Peter Cullen and Ashwin Raj did a great job to keep this group together. They were also supported by John Taylor who joined the coaching team midway through the year and brought in some positive results.

Finally, I would like to take this opportunity to thank all those involved in the 2018 Colts 2 program. Your efforts and commitment were appreciated by everyone else involved in the 2018 Colts Campaign.

Colts Three

Coaches: Oliver McCall, Fergus Halliday **Managers:** Sam Heinke Ashwin Raj

The Colts 3 team were the most successful part of the 2018 Colts program making the semi-finals. In what was a challenging year for the team and the competition they were able to deal with multiple draw changes and team changes to make it through.

Historically positioned as the "social" team of the Colts program the 2018 Colts 3 team continued to focus on having as much fun on the field as off the field during the season. With a new coaching and management group taking control and a good mix of new and

experienced colt's players the team performed well throughout the year.

Apart from making it through to the semi-finals there were a number of highlights during the year. The team had a number of 16 and 17 year old players that are worth keeping an eye on, Sam Pologa and Jasper Lewis both making great impacts at the front and with Hamish Trudgen and Liam Croker in backline the future is looking good. Sam Tucker, Koopyr Bailey and Harry Martin provided much needed experience in the group and were supported with great play from William Wong, Jerome Wilde and many others across the season.

Colts 3 is always the hardest team to keep motivated and on track during a changing season so there are many people to thank for their efforts this year. Special mentioned to the Anthony Herbert and Elwee Prinsloo for their support this year as well as to two injured players that contributed to off-field support, Mitch Straker and Ashwin Raj. Lastly, a big thank you to the coaches Oliver McCall and Fergus Halliday who with the support of Manager Sam Heinke managed to bring this team together through a challenging year.

See you in 2019.

Ryan Webster
Colts Co-ordinator

Colts Three

Final Position: Semi Finalists

Top Try Scorers: Max O'Hare (5)

Top Points Scorers: Max O'Hare (34)

Captain: Nick McGovern

Vice-Captain: Josh Kilgore

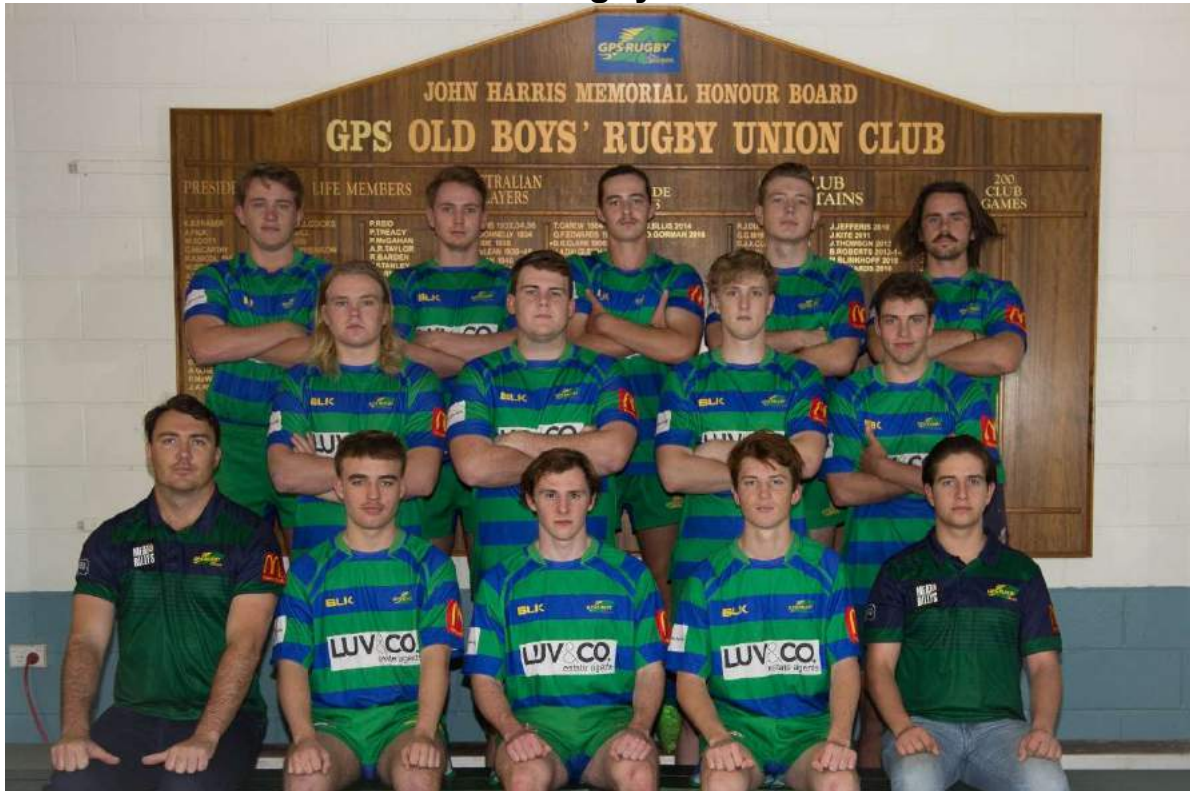

Competition Rounds

Position: Fourth

Played 12 Won 5 Lost 7 Bonus Points 4

Points For 211 Against 295

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Administration Report

Membership

Non-Playing membership remained reasonably static in 2018 compared with 2017, but has increased slightly over previous years. The table below shows membership movements over the past four years.

Year	Supporters	Couples	Senior Players	Junior Players	Total Members
2018	475	203	297	1028	2003
2017	531	161	305	1080	2077
2016	462	137	263	1036	1898
2015	451	182	254	1064	1951

Supporter membership is strongly impacted by the renewal process. In recent years a mailed invoice has significantly increased the early payment of supporter fees at the time of the year when there are significant costs and little other income.

The slight decrease in Senior Player numbers in 2018 is largely in the Colts age groups. Recruitment in those teams should see an increase in 2019.

A breakdown of 2018 Membership is:

Life Members	39	
Supporters	436	
Spouse	203	
Open Players	214	(including 37 Women)
Colt Players	83	
Junior Players	1028	

In 2018 of the 771 Junior Player parents only 118 became supporter members. Turnover was also high in that 164 2017 supporter members did not renew in 2018 and are classed "In Arrears". This figure includes a further 41 "Couple Members"

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Golden Gallopers Report

The 2018 season for the Club's over 35s team (the GPS Golden Gallopers) pretty much mirrored that of Premier Grade - apart from speed, strength, talent and a grand final win.

The year was quieter than previous seasons — a sign we truly are in our golden years. We managed a number of Friday night games, some bus trips to out of town games and our annual Great Western Rumble carnival (a thanks to GPS' sister club at Albany Creek who were able to accommodate that event as the ever-popular Yoku Road was already booked).

We were delighted to have financially assisted some junior players throughout the year, honouring our commitment to pledge 50% of the profits from our 2017 fundraising lunch.

The end of last season saw a true GPS stalwart, Allan 'Alby' Berriman, take out the Rob Chandler Memorial club man of the year award. Alby has been involved at all levels of GPS for many years, as a coach, manager and golden oldies player and past treasurer. Congratulations Alby. The winner of the coveted award for 2018 will be named in the coming months.

Finally, a thank you to our sponsors – The Alliance Hotel, Toowong Mitsubishi, Bank of Queensland The Gap and Ordanga Properties.

Langton Clarke

GPS RUGBY CLUB INC. ANNUAL REPORT 2018

Treasurer's Report

Well what a year for GPS, Firstly, I would like to congratulate our Premier 1st Grade on an outstanding win in the Grand Final also 6th Grade and let's not forget the Grand Final appearance from the Women's team.

On the financial side of our Club, it's been quite a successful year. It has proved by having volunteers helping out in our canteen and the outstanding effort from Lauren (Office Manager) and Anthony (General Manager) organising rosters and ordering and controlling stock has made us a great profit from the canteen.

Merchandise sales have increased significantly with a great range and successful on field performances.

Total income for the year will sit around the \$1.5m and has produced a profit upwards of \$400k this is inclusive of government grants around \$220k. This is a significant increase to our budget, mainly due to a canteen saving on wages and cost of goods, substantial increase merchandise sales. Keep in mind we had an opening stock amount of \$69k+.

Primary source of income for GPS Rugby Club is:

• Playing Fees and Membership	\$310k
• Canteen & Merchandise	\$500k
• Sponsorship	\$400k
• Functions & Fundraising	\$290k

Once again, our local businesses have been very generous towards helping our club financially and I thank them greatly for their sponsorship and financial help. This year again we have been able to upgrade our facilities within the club, they are as follows:

• Lighting upgrade to field 1	\$240k
• New Goal Posts on Field	\$9k

Finally, I would like to thank all our sponsors and volunteers for their continued help and support with the club, special mention to Anthony Herbert and Lauren Urquhart for efforts in canteen and the running of our Club.

We definitely had a successful 2018 on and off the field and I look forward to being a part of this successful Rugby Club in 2019.

Compilation Report

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF GPS RUGBY CLUB INC.**

SCOPE

We have audited the financial report, being a special purpose financial report comprising the Income and Expenditure Statement, Balance Sheet and Depreciation Schedule of GPS Rugby Club Inc. for the year ended 31 October 2018. The committee is responsible for the financial report and has determined that the accounting policies used are appropriate to meet the needs of the Associations Incorporation Act (Queensland) and the needs of the members. We have conducted an independent audit of this financial report in order to express an opinion on it to the members. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Associations Incorporation Act (Queensland). We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the Association's financial position, and performance as represented by the results of its operations. These policies do not require the application of all Australian Accounting Standards and other mandatory professional reporting requirements.

The audit opinion expressed in this report has been formed on the above basis.

QUALIFICATION

It is not practicable, because of the way income is raised, to establish control over income received prior to its initial entry in the accounting records, nor is it practicable for us to confirm that all other income have been received and recorded. Our audit relating to this income was therefore limited to the amounts recorded in the records.

QUALIFIED AUDIT OPINION

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the accompanying financial statements:

- (i) are properly drawn up in accordance with the requirements of the Associations Incorporation Act 1981, and
- (ii) presents fairly the financial position of the Association at 31 October 2018 and of its results of its operations for the year ended on that date;

and are in accordance with the accounting policies described in Note 1 to the financial statements.

Statement by Members of the Committee
For the year ended 31 October 2018

The Committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee the Income and Expenditure Statement, Statement of Financial Position, and Notes to the Financial Statements:

1. Presents fairly the financial position of GPS Rugby Club Inc as at 31 October 2018 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Notes to the Financial Statements
For the year ended 31 October 2018

Note 1: Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act of Queensland. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(b) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(c) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(d) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reasonably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

GPS Rugby Club Inc
ABN 16 218 641 302
Notes to the Financial Statements
For the year ended 31 October 2018

(f) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(g) Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

(i) Trade and Other Payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.
