## ANNUAL REPORT — 1982 SEASON

---

Gentlemen,

Your Executive has much pleasure in reporting upon those activities and highlights of the Club during the season recently concluded.

### COMPETITION RESULTS

Overall, it was a disappointing year and although our coaches, managers and selectors gave it all they had the players — with a few exceptions — did not dedicate themselves sufficiently to earn a Grand Final Pennant.

The First Grade had their opportunities and muffed them - even though they were unlucky to be beaten in their last competition game against Wests. A win here would have put our Firsts into the semis but the referee had other ideas and Jeeps were extremely unlucky to lose the game.

It is pleasing to note that coach, Gerry Murray, is nominating again, together with his diligent and popular manager, Tom Hamstead.

There are moves afoot for a pre-season tour to Sydney in order to start the 1983 Season on a much more positive note.

The Seconds showed a vast improvement on their 1981 form and much credit must go to coach, Robin Thomson, and manager, Alan Carew, for getting the team into the semi-finals.

Once again, the Thirds suffered badly from lack of attendances at training and, although coach Mark Oberhardt coached and played his heart out, there was not enough work done at training to earn success.

For the first time in years, our Fortified Fourths failed to make it to or win the Grand Final and it seems that in this modern day of age it requires regular training and a professional approach, even for Fourth Grade to win a pennant.

The U19 team has some real talent and played well to get into the semi-finals. They were beaten by the team which won the Grand Final and with the right bounce of the ball on the right day - may have been there!

There is a rumour that coach "Buzzard" is even considering a comeback on the strength of it.

David Newstead's U18 team also deserved a better fate. A team with some quality about it who lost several games by a one or two point margin which does indicate what a high standard the U18 competition is.

The good news of course was our Grand Final victory in the U14 grade which was the first year we had a team in that competition. Coached by ex-Queensland and University front rower, Leo Williams, and assisted by Roger Herring - this team showed real dedication and character and it is hoped they will come through to the U15 grade next season.

The various team reports are printed elsewhere in this publication and points and scores are shown in the registrar's report.

### CLUB HOUSE

We are currently having discussions with Valleys Cricket Club, which we are confident will overcome the problems that has existed for the last 18 months. By the time this report is read, we expect a new carpet to be relaid and more floor tiles placed around the bar area.

## **LADIES COMMITTEE:**

This year, the ladies committee broke all records and the net result of their efforts was a cheque handed to the treasurer for an amount in excess of \$3500. This represented profits from home games and social functions which included a most enjoyable "Mad Hatters" evening and a formal Golden Anniversary Ball.

## **GENERAL**

Summing up, Jeeps have had a good year "off the field" but have not performed to the best of their abilities "on the field".

Our association with the Ascot/Clayfield and Ashgrove Junior Rugby Union Clubs has been rewarding and in fact the junior division from U19 down looks most promising.

Therefore, the future of our Club looks bright and providing our members continue to support us we have a goal within the next two seasons to win the Club Championship.

I look forward to seeing you all back with us again in 1983.

**DICK ROBERTS**

President.

## 'A' GRADE REPORT

The 1982 season was my first association with the G.P.S. Club. It was also my first season coaching an 'A' Grade side.

I was delighted with the support and encouragement given me by Committee members, players and club supporters.

By contrast, I was very disappointed with the club's performance on the playing field.

The real success of any rugby club is measured by the success of the 'A' Grade side and that side can only achieve and sustain any success if there are strong 2nd, 3rd and 4th Grade sides. Unfortunately, this was not the case in G.P.S. in 1982.

Players, Coaches, Managers and Administrators of our club must review their attitudes when responding to those players who do not display an acceptable commitment to training, level of involvement and personal performance on the field of play.

The 'A' Grade started the season badly. We seemed to be proud of our 'late starter' tag. We lost to Easts in the first game and were soundly beaten by Souths at Ballymore. We concentrated on raising the level of fitness of all players during the two week period prior to the College game. We defeated Colleges and were narrowly beaten the following week by Uni in a very good game at St. Lucia.

Then followed a run of five consecutive wins including a thrilling 12-11 win against Brothers at Ballymore. For sheer will to win and do-or-die commitment that was probably our best performance all season.

During the remainder of the season we had many opportunities to win vital points but were unable to sustain the effort. I believe the major contributing factor was lack of fitness.

As in 1981, the 1982 season ended abruptly. We lost a game - the final fixture against Wests - a game we were capable of winning comfortably!! We were therefore doomed to a long off-season.

Let us hope the lessons of last season have been absorbed well. I have learned a great deal and look forward - from a coaching point of view - to implementing certain changes in the format of coaching in 1983 which I hope will result in a significant improvement in our performances.

I take this opportunity to thank all those players who represented the club in 'A' Grade during 1982, for their co-operation and support.

Players who deserve a special mention for the consistently high standard of their play throughout the season include Andrew Austin, Mick Arnold and Dugald Clark in the backs and Roy Nerichow, Murray Phillips, Bret Armstrong and Ross Farquhar in the forwards.

As captain, Peter Roberts led by example and co-operated with me in every way. David Hay came back (after injury) to play some very fine games at No. 8.

A special tribute to Mick Arnold for his achievement in being selected to tour New Zealand with the Queensland side.

Mick Arnold and Peter Bissett deserve a vote of thanks for continuing to make themselves available for selection when carrying painful injuries. It was necessary, unfortunately, to ask these two players to continue

because of the lack of depth in the club in these two vital playing positions.

A special thank you to Tom Hampstead for his very fine work as Manager during the season.

Dick Roberts, David Park, Lyn Jones, Dennis Boucher and other Committee members were always available to offer advice and assistance to me when required.

My co-selectors, Tony Creagh and Peter Marshall deserve great credit for a job well done and for the time spent and the frustration experienced in trying to ensure we had four full teams take the field each weekend. It was a great disappointment to them both when, despite their best efforts, we were unable to field four teams against Brothers at Ashgrove.

Last, but not least, thank you to the Reserve Grade coach for his co-operation and 'words of wisdom' during the season. Such 'words of wisdom' were forthcoming in his capacity as both coach and part-time 'A' Grade secondrow forward.

In conclusion, thank you for a most pleasant and rewarding introduction to a very fine rugby football club and to 'A' Grade coaching. With a proper attribute by administrators, coaches, players and supporters — 'you' are included — we can look forward to an exciting and successful season for the G.P.S. Club in 1983 and beyond.

GERRY MURRAY

## RESERVE GRADE REPORT

Coach: R.J. Thomson

Manager: A.Carew

The 1982 Season began inauspiciously for Reserve Grade with rather ignominious defeats at the hands of Easts and then Souths. Our fourth game of the Season produced a superlative effort against University. This was a hard fought game in the early season heat where we finally turned out victors thanks to some excellent individual efforts but mainly from a team will to win and realization that we could work together. So much for suggestions, and from some people who should have known better, that the Club field only 3 teams for the Season.

Active recruitment and Club management to maintain and increase players numbers is certainly preferable to withdrawing from various levels of senior Club competition. We will not encourage players by lessening their opportunity to play.

Whilst we sustained some heavy losses during the season a team rapport was achieved and in many instances teams who expected an easy victory were denied same.

Being the Reserve Grade Team, we naturally and understandably suffered attrition through replacing injured and absent A Grade Players.

The usual mid season slip off in training occurred and I believe any future Coach must give serious thoughts to what steps can be taken to alleviate the pressure caused by the paucity of trainers and players for whatever reason at this time of the season.

Consideration should also be given to supporting the genuine players who for many reasons may find it difficult to play or train fully for the whole of the long season. By this I do not mean pandering to the primadonnas who consider it their right to be selected in particular teams and when not selected tend to disappear from the scene unless, and until, they see the chance of being picked in a semi-final team.

Insofar as selections are concerned differences of opinion are of course a perennial and ongoing problem. However as long as all the parties concerned realise that a certain flexibility and understanding is required rather than a dogmatic approach selections will be somewhat more amicably achieved. Of course, players notifying the selectors of their availability of otherwise still remains possibly the greatest selection problem. Those players in Reserve Grade who attend training regularly (that is to say at least one a week) will realise the importance of training together as a team. It is obvious to all an understanding between players, forwards or backs, is essential to boost their chances of winning the ball and using it to go forward and thus score points. Simply turning up for a run on the day is not satisfactory.

The Reserve Grade record for 1982 is obviously much better than it has been for a number of years. The number of younger players who demonstrated an increasing maturity in their football and extension of their talents was most encouraging. In this of course I include amongst others Michael Burrows, Don Reed, David Hay, Brett Green and Chris Paul.

The team must also acknowledge with thanks the captaincy of Don McGregor, timely arrival of Tony Rapson and outstanding management of Alan Carew.

Finished 5th and making the semi final was a reasonable result. Lets hope the team together with new players coming up from under 19 under their coach for 1983 will give him support both at training and playing so that 1983 Reserve Grade may be a serious premiership contender.

### THIRD GRADE REPORT

Third grade had a mixed year, reaching some creditable heights but suffering an incredible 88-0 defeat in one match.

However the side finished 6th on the table only 6 points out of the five and we were still in the semis hunt with two games to go.

We lost five games by less than four points and drew one match when we missed three kicks from around the goal posts. But that can not be offered as any excuse. There is an old saying that a good team wins matches by a few points and doesn't lose by narrow margins.

The side was continually hacked around by changes and there was rarely anything like a full team at practise. However I still feel when we were near full strength we could still field a forward pack close to the best in the competition. That's not to say we didn't have some above average backs, but we generally missed a backline general.

The most pleasing thing I found about the season was the vast improvement by some of the players. Don Reid ran off some weight and graduated to win the best and fairest second grade prize this year. Big Marty Taylor also lost nearly 2 stone and near the end of the season was playing some really top football. Who could forget his 70 yard charge against Colleges or his try against Teachers.

Roger Boyce joined the club late in the season but played some tremendous football and Brendan Jacob played like a colt from the start of the year. He deservedly won our best forward trophy. Col Battersby, Chris Paul, Gerry Purvis and Carl (I'm sorry I still can't spell his last name) and Alex McDonald turned in some good football. In fact I am truly sorry that they didn't get a chance to play together more often.

And I mustn't forget to mention Peter Baldwin, who played some great football despite a painful back injury, and Peter Horton who unfortunately was thrown around from five eighth to fullback.

Peter is a very talented footballer whom I hope for his sake gets a chance to play in his favourite position at breakaway this coming season. Mark Trehearn turned in some game performances and was also never allowed to settle in one position in one team.

Of course there is one player in GPS lower grades that many people often forget but I feel he always deserves special mention.

The player is Veal Mac Afee who week in week out was prepared to play everywhere from fullback to halfback to hooker. Veal is a hooker and loves to play there. At the end of the season when in the No. 2 jersey he was certainly a big help in our improved end of season performances. If everyone played a match with as much heart as Veal we would be 100 percent stronger club.

I hope we can retain all players for the next year and wish whoever coaches the third grade side all the best for the coming season.

MARK OBERHARDT.

## FOURTH GRADE REPORT

By G.P.S. Fourth Grade Standards, the 1982 Season was very disappointing, and there were obviously more than one reason for the final placement of fifth on the ladder.

The main reason of course, was the fact that for the first time in five years, we had to re-model the basis of the team. Quite a few of the old 'Generals' saw fit to keep the boots in the cupboard for most of the season, if not the whole season. When you take experienced players like Dennis Boucher, Michael Thies, Peter Lewis, Ian Whittle, Dave Newstead, Fred Willis, Graeme Maskell, Bob Hauser, Mark Asprey and Mark Wright out of the team, and lose Brendon Jacob and Marty Taylor to higher grades, the task of moulding a grand final team becomes very difficult.

We had to add to that problem the shortage of number from which to choose each team, and the inability of all players to be at training on any one night.

These difficulties were highlighted by the team having to forfeit the third round game against Brothers, on our own home ground, and losses through the season to Colleges (first round) and Redcliffe (second and third rounds).

Round two was our most successful, when we lost only two games, and our performance then suggested that we again would be premiership contenders. However, as other clubs strengthened, our fourths found increasing obstacles.

Enough of the gloom. We all had a good time, and that is one of the main aims of the G.P.S. Fourth Grade Team. Without the fun each player can gain from playing the game and enjoying a drink afterwards, there would be no fourth grade, and it would do us a power of good to attract G.P.S. players to fourth grade who would otherwise give the game away, even as spectators or supporters.

Some worthy highlights emerged from the 1982 season, and what player wouldn't give his best jock strap for a moment like these.

- . Lyn Jones finding an even older person in the Redcliffe Team. After they had beaten us in Round 2 at Ballymore. "Bushy" had a coldie with us, and explained to Jonesie the advantages and disadvantages of his wide part. "You haven't got much hair to comb, but you've got a bloody lot of face to wash."

- . Lindsay Skardoan, after scoring two tries on the wing against Teachers, approaching the Fat Fullback to ask "What have I got to do to get a game at five-eighth?"

- . Jonesie walking his pet dog "Foamie" around after our semi-final loss to Easts.

- . Paddy Mayze catching a ball in the game against Wests at Ashgrove.

- . Dave Micklejohn scoring three tries on the wing against Colleges, in his first ever game of Rugby.

- . John Garde scoring a try (And being in a position to score 23 times during the season, with astute players electing to go themselves on the basis Garde might drop the ball).

- . Graeme Rylance providing plenty of tea for after the games, and

keeping it at the right temperature in his all purpose chilly bin.

. John Garde being spotted on the field by his wife Jenny as she carried bread rolls, coleslaw, steak and two kids into the ground, after John had given her every assurance that he would not be playing this year.

. The occasional appearance of Bob Christmas.

. Dennis Boucher's encouragement from the sidelines.

. The Fat Fullback's takeover bid for Johnson & Johnson's Tape division.

. The "I'll do it" volunteering of all players when it came to running the second Grade line.

The assistance I had this year was as strong as ever, and I would like to thank the people who helped make it enjoyable. Graeme Rylance, the World's only Manager who needs a manager, for his close attention to jerseys, (once they arrived), the green drink, white drink and amber drink, and drying players on the field. Lyn Jones and John Garde for Training Detail, for the many times I could not make it.

Doug Stevenson for his general play and consistent good football under difficult conditions.

Peter Cunningham, for showing that enthusiasm can substitute for size and age on the side of the scrum.

The "Oldies" who made guest appearances during the season. Graham Maskell, Dave Newstead, Bill James, Dennis Boucher, Bob Hauser, Fred Willis. The regular attendance at training by the "not so recognised" players — Arthur "Dunger" Earle, Paddy Mayze, Clive Roscoe and Rob Cornish.

A special tribute to Rob Cornish for his dedication during the season, and his fine example of dress and pre-game cleanliness.

Finally, it is worth mentioning that we aim to complete the 1983 season on a much better note. University have only borrowed our Cup. We want it back, and we want plenty of support from those who are thinking of retirement, to make sure we get it back.

LLOYD GRAHAM

## UNDER EIGHTEEN REPORT

As far as results are concerned the season can be best summed up as very disappointing. Both sides finished about middle of the road which is not what we have come to expect from our junior teams. However there were some good points to come from the year which made it worth the effort.

The fact that we were able to field two under 18 sides indicates that our ability to attract junior players is now stronger than ever. I will add here that is not co-incidental that a lot of this years under 18's played in a Jeeps under 15 side three years ago run by Bunny Burrow (Snr) therefore the fostering of Jeeps under age sides should be prominent in the minds of future Jeeps management.

It is no secret that our friendly rivals Brothers are furious at the number of ex Marist Brothers Ashgrove students now playing for Jeeps. This year a record 20 played 3 or more games in the under 18's a far cry from the day Mick Arnold and Steve Smith made the break. Obviously our association with this school must also be fostered at least to the level of our traditional nurseries.

The selections of Phil Anthon (tight head), Sean Tweedy (2nd row) and John Taylor (Flanker) in the Queensland under 18 side were well warranted and only our lowly place on the ladder presented another two or three from being selected with them. Incidentally the state under 18 side played 3 games against various N.S.W. sides and were undefeated. The side was coached by Paul Frane. Congratulations Paul and the rest of the team.

I believe Les has covered fund raising in another section of this report so I will only say thanks to all players who sold doubles at Ballymore.

Next year the Q.R.U. is grouping the 18's and 19's together and calling them Colts, a move which was vigorously supported by your club. At this stage it is envisaged that there will be three colts grades which will enable players of all capabilities to find their own level regardless of age and hopefully gain maximum enjoyment from their rugby. Early indications are that we will have no trouble fielding at least three colts sides.

Many thanks to:

Dennis Boucher: assistant coach, selector, field marker, barman, dirty ditty singer, opposition heckler, liason officer to referees association.

Bunny Burrows: selector, Jeeps juniors stalwart, QJRU delegate, player procuror, bartender, cook, providore and generally great to have around.

Bruce Battersby: plumber (works cheap), team manager, ball boy, sand boy, strapper and not a had run drinker.

Les Dodwell: financial controller, doubles organiser, QJRU patron, bloody good worker for Jeeps Juniors.

Dan Higgins: came in at short notice to look after B team for 2nd half of season.

## UNDER 14 REPORT

I am very grateful to be given the opportunity by your committee to give a brief summary of the past history of this very junior team of the GPS Old Boys Club. Most of the boys in this team started their rugby careers with the Ascot Clayfield Club, at the tender age of six years and spent the first two years playing mini-rugby in the U7's and U8's in various grades; and with mixed success.

In 1977 as an Under 9 team we graduated to full-field rugby; and there we were introduced to our Coach, Gerry Murray. At times one wonders how Gerry persevered with all these little boys running around with limited skills and having a good time. Anyway, gradually he was able to teach them skills which most of them have to this present day. We finished second to Sunnybank in the competition. In 1978 it was much the same and again we ran second to Sunnybank.

In 1979 we were determined to win, however, despite a huge points decision in our favour throughout the year we narrowly lost two vital games and so were relegated to 3rd position, again Sunnybank was the winner.

In 1980 as an U12 team we at last broke through the drought and defeated Sunnybank 34-0 at Ballymore No. 1 in the grand final and the champagne flowed. In that year seven of our team were chosen to represent Queensland in the Australian titles in Sydney and they came home winning that title also.

And so to last year, probably our most successful, where once again we won the competition defeating Sunnybank 16-0 in the grand final; the team really performed superbly and went through the whole season without conceding a point. The parents and boys after much discussion approached GPS to see if we could continue playing rugby at club level and also to have some connections with a Senior club. Your committees enthusiasm to allow us to join has been very gratifying; however as you took our coach from us we felt you owed us anyway!!!

And so to 1982; where under the coaching of our parents, Leo Williams, we were again successful - winning the premiership for 1982; so congratulations to all the boys.

I have no hesitation in saying that this team is one of the best disciplined teams I've seen and they have been a great pleasure to watch; playing the game in the true spirit of rugby.

Their self-motivation has been outstanding throughout their careers and their will to win electrifies the attitude of the whole team; and may it last forever.

#### ASCOT CLAYFIELD — 1982 SUMMARY

1982 was quite a successful season from both the Club Management and Players points of view, with the Club Management working harmoniously together to run the Club and continue the steady improvement in the Clubs Finances and the players winning a high percentage of games played.

The Club maintained 10 teams in the QJRU Competition together with passing the U14 side on to GPS. Of the 10 teams involved in the QJRU competition three teams made the Grand Finals in their respective Grades, U7A, U8A and U12. The U8A and U12 teams won, the U7A team lost.

The U12 Team continued its dominance of its age group season by having now won consecutive grand finals from 1977 to 1982.

The Club looks forward to an equally successful 1983 season.

COLIN SWAIN

## ASHGROVE JUNIORS R.U.C.

In the 1982 season, Ashgrove Club fielded two under 7 teams, three under 8, two under 9 and one under 11 team.

The season was one of the most successful so far as on field activities are concerned with the under 7A winning the Grand Final against Ascot-Clayfield 18/Nil, the under 8A losing in the Grand Final 12/10, to Ascot-Clayfield, and the 9A winning their Grand Final against Nudgee Junior 11/Nil. The 9B team lost in their semi-final to Toowong.

It will be noted that we did not field an Under 10 team. We have great difficulty with under 10 upwards because of the loss of prospective players from our Club to the Marist Brothers College at Ashgrove.

Our under 11 team has a solid core of about seven top little players but they regularly take the field with 11 or 12 against full 15 teams which makes the job very difficult to say the least.

The Club was not so successful administratively with fewer than usual parents involved in fund raising activities such as canteen assistance and raffles. The result is the club is low on funds and next season's registration fee will increase substantially to \$15.00. This fee has been low in past years because it has not been necessary to provide funds for the upkeep and maintenance of a playing field. Ashgrove Club acknowledges the assistance of G.P.S. Club in this respect.

The Ashgrove Club for the 1982 season became the winter tenant of Wittonga Park at Hilder Road, The Gap and as in this last season, it is hoped to have one or more teams with the Park as their home field playing under the team name of "The Gap" (these teams are in fact part of Ashgrove Club.) It is not envisaged that any development of facilities will take place at this park by Ashgrove Club as it will occupy the park as winter tenant only.

The response by potential players to the Club's recruiting efforts remains generally low. It appears that a greater effort in promoting the game is required at a high level. The promotion is clearly beyond the capacity of any junior club because of the problems peculiar to the area, but it is suggested that G.P.S. Club could assist by pressing the matter at every available opportunity with the Q.R.U.

## **TREASURER'S REPORT**

---

I present for your consideration and adoption the Club's Audited Balance Sheets and Statements of Income and Expenditure for the year ended 31 October, 1982.

The Club's finances have improved dramatically due to the dedication and efforts of the members of the Ladies Committee, Lynn Jones, Ian Whittle, Lloyd Graham, and members of the various committees, who have enabled the Club to report a record surplus for the year of \$9,980. This surplus was made on a turnover slightly in excess of \$60,000.

All sections of the Club's finances have shown a healthy improvement, with the exception of Doubles and Trifecta (down \$3,318) and Homegames and raffles (down \$1,508). It should be possible to increase the profit in these areas, without affecting the other profitable section of the Club. This can only be done if the responsibility is delegated to members who are not already involved in other fund raising activities.

In the 1981 Report I mentioned that improvements could be made in the areas of Functions and Clothing. This has been achieved with combined profits increasing by \$2,350. The most dramatic areas of profit improvements have been in Bar trading (up \$4,652), Ladies Committee (up \$2,403) and Hotel Raffles (up \$2,283). These profit levels should be maintained with the continued support of all club members and supporters.

The Club has met all financial commitments for the year that have been made known to the Committee. I trust that the 1983 financial year will be as successful.

ROSS DUUS

## **AUDITOR'S REPORT**

---

TO THE MEMBERS OF:

G.P.S. OLD BOYS RUGBY UNION CLUB

I have examined the Balance Sheets of G.P.S. Old Boy's Rugby Union Club as at 31 October 1982 and the Income and Expenditure Statements for the year then ended.

I draw member's attention to Notes 2,3 and 9 to the accounts.

Subject to the above, in my opinion, the Balance Sheets at 31 October 1982 and the Income and Expenditure Statement related thereto give a true and fair view of the state of affairs of the Club as at 31 October 1982 and of the results of its operations for the year then ended.

## NOTES TO ACCOUNTS:

1. The accounts are prepared under the historical cost convention and are not adjusted to take account of the current costs of specific assets and the effect of those costs on the income and expenditure for the year.
2. It is practically impossible for the Club to establish full commercial controls over most types of income prior to the initial entries in the accounting records. The systems established by the committee ensure that all material items of income are brought to account.
3. The bank reconciliation discloses four unrepresented cheques, totalling \$10,286.80, drawn in favour of Valley District Cricket Club in March and September 1981 and 1982. The figures of cash at bank \$286 and Loan - Valley District Cricket Club \$27,105 have taken these cheques into consideration as being paid.
4. The Profit on bar trading represented 27% on bar trading turnover of \$29,556.
5. The profit of hotel raffles represented 52% on a turnover of \$9,059.
6. Profit on functions for the year were represented by:

50th Anniversary Dinner	\$ 911
Annual Trophy Night	312
Best & Fairest Night	186
King of the Mountain	1,214
	<hr/>
	\$2,623
	<hr/>

The accounts of the 50th Anniversary Dinner Committee have not been finalised. An estimate of outstanding liabilities has been made in these accounts.

7. A write-off of \$400 of debtors considered uncollectable from the 1981 trifecta has reduced the 1982 profit to \$152.
8. The profit by the Ladies Committee of \$3,531 includes the profits on the 50th Anniversary Ball and food booths at home games.
9. The Ashgrove Joint Committee, comprising the Club and Valley District Cricket Club, has not functioned for several months. Both Clubs have incurred costs, such as repairs, insurance, cleaning, electricity etc., which have not been repaid from the Ashgrove Joint Committee funds and for which contributions have not been requested. A potential liability exists which has not been taken into account in the statement of Income and Expenditure.
10. Club supporters during the year made outright donations of \$335 and donations for trophies of \$870 to defray club overheads.
11. The balance sheet does not include several of the Club's assets, including a weight machine, goal posts and the G.P.S. Junior Fund Raising Account.
